

#### What's in the News?

Dear Parents/Guardians,

Sinclair Lewis Schools works earnestly to provide a conducive environment where our children can learn, play, grow and thrive.

We believe in home-school partnerships, especially as we continue to grow as a school. It has become imperative that parents understand how best they can support their wards on the home front. We are keen to render these supportive services to equip our children further.

The second edition of our Monthly Parents' Webinar titled, "Building a Healthy Whole School community" by Mrs Johncay-Ihejiro comes up on the 5<sup>th</sup> of April, 2023. Kindly check the meeting on the flyer. Follow-up messages with links will be sent via the school's Whatsapp platforms. Save the date!

#### Examinations

As exams commence, parents are urged to support their wards. Examination timetables have been sent to respective class groups. While our pupils study, remind them of the importance of rest, water, fruits and veggies at this time. We want them mentally and physically ready for their assessments.

All pupils are encouraged to give in their best.

#### Photo Gallery

Hands on activities and frequent movement are a key part of learning. Here's what we all did this week- Practical Home economics, aerobics, Arts and Crafts etc.

#### Notable Dates

March 20 <sup>th</sup> – 24 <sup>th</sup>	Examinations
March 27 <sup>th</sup>	Reports and Bills

March 31 <sup>st</sup>	Excursion

#### Preschoolers- World Water Day

### World Water Day

Wednesday 22nd March, 2023

Venue: School Field

#### Inspiring Person of the Week

**Nick Vujicic** – He was born with a rare syndrome called tetra-amelia.

He overcame several limitations including his inability to use his limbs to become one of the world most famous motivational speakers.

**Favourite Quote**, “It’s a lie to think you’re not good enough. It’s a lie to think you’re not worth anything”.

#### Core Values for the Week

Excellence- In all you do, strive for excellence.
