

#### What's in the News?

Dear Parents/Guardian.

In this month of love, we should not fail to celebrate our family, friends and community. The 2023 Valentine's Day theme is "Cheers to the Kind Heart". All pupils will exchange kind words and simple handmade or simple non-edible gift items. Dress code is red top on blue jeans. Be on the lookout for our delightful photos.

#### Pyjamas Day

The Pyjamas Day is a practical life activity for preschoolers to learn about bedtime routines, importance of sleep, listening to bedtime stories and healthy morning time routines.

Preschoolers wore their favourite pyjamas, brought their soft toys, blankets, and mats and of course, delicious snacks and drinks.

#### Fruit Day/Water Day.

The "Fruit Day" was an eye-opener for our whole school community. We are happy to encourage the habits of regular intake of water and eating of fruit instead of carbonated or fizzy drinks.

#### Wednesdays - Water Day

#### Fridays - Fruits Friday

#### Mountain Ranges

In Geography, Year five pupils explored mountain ranges around the world. Through our project based method of learning, they designed a model to reinforce their understanding of the concept. They had fun learning about the mountain ranges.

#### Notable Dates

#### Inspiring Person of the Week

**Charles Babbage** - He was an English philosopher, inventor, and mechanical engineer. Babbage originated the concept of a digital programmable computer. He is considered by some to be "father of computers".

His favourite quote is, "Perhaps it would be better for science, that all criticism should be avowed".

#### Core Values For The Week

Love-Every child you encounter is a divine appointment.

*"The highest result of education is tolerance."*

*- Helen Keller*
